

MODEL PRODUCT OVERVIEW

FORD MUSTANG S-197

MAKE / MODEL: FORD MUSTANG S-197

ENGINE: COYOTE

ENGINE SIZE / CONFIG: 5.0L V8

YEAR RANGE: 2011-2014

XClutch Ford Mustang Range

The Ford Mustang is one of the most iconic vehicles ever created and is arguably one of the most modified cars with thousands of aftermarket parts available around the world. XClutch offer a wide range of performance upgrades to suit vehicles that have had performance modifications resulting in increased horsepower and torque. These kits are designed to harness the extra power and help put more to the ground. With extensive in-house testing and development, XClutch offers a range of clutch upgrades to suit everything from the daily driven performance car through to dedicated motorsport applications.

Heavy Duty Clutch Recommended Applications

Kit Pictured: XKFD23655-2G

Street

Track

Drag

Time Attack

Drift

Rally

4x4 Heavy Duty

XClutch performance upgrades are designed & engineered to ensure the highest quality, performance & reliability. Each range is individually tailored to suit various vehicle uses, performance goals & durability, meaning XClutch can offer the ultimate performance package for your vehicle.
